

Volunteer News & Events

Welcome to our new Volunteer Bulletin Board!

Every few months we will send this notice out; letting you know about future events you can get involved in, highlighting the amazing work our volunteers have done, and what this means to our charity. We will also be including a Volunteer Challenge in each of these notices. We challenge you to take part and support us in other ways!

In this first bulletin board, we would like to thank everyone who volunteered for Platform for Life in 2025. We held some great fundraisers, including hosting a Charity Garden Open Day at Eaton Hall, a Tesco bag pack, and a bucket collection at Chester FC. We truly appreciate the work of every volunteer who took part. Without you these events would not be possible.

In 2025, our amazing volunteers also continued to support our clients at our weekly wellbeing drop-ins. Their continued and dedicated support makes the drop-ins a warm and welcoming space for clients. In addition to this, we have brilliant volunteers supporting our Operations Team, helping to keep our office running smoothly.

Thank you to all our volunteers for your support in 2025. We look forward to another great year volunteering at Platform for Life!
